*Tuition will be pro-rated for classes missed during your summer vacation. Write (on the chart below) the dates you will be gone; the number of weeks you will attend; and the full tuition for the class (see other side). Take the full tuition, divide it by the total number of weeks the class is in session (6 weeks), and multiply it by the actual number of weeks you will be attending. This is your tuition. Please call us if you have any difficulty calculating this.*
