If you are receiving this letter, at least one of the dance classes you are enrolled has the option of participating in our December Holiday Show.

Would you like to enjoy watching your child perform on stage in December? Read this letter and contact us with any questions you might have. We would love to have you join us!

Would your child like to perform?

During October and November, we will be teaching Holiday-themed dances in many of our classes. The students from these classes will be invited to perform these numbers in our Holiday Show. We have included a list below of the classes that will be participating.

Note: We tried to include as many classes as we could; however, we currently can only do two shows at Northley Middle School and are therefore limited in the quantity of Holiday Show numbers we can put on stage. We picked as many classes as we could that would allow the most students to perform.

If you would like to participate in our Holiday Show, please read and fill out both sides of the form below and return it to the studio by Saturday, October 7th. If you have any questions, please contact us.

Holiday Show Invite Form

Please Respond by Saturday, October 7th

During October and November, we will be teaching Holiday-themed dances in many of our classes. The students from these classes will be invited to perform these numbers in our Holiday Show on Sunday, December 10th. We have given preliminary information here and will give more specific details at the end of October. If you would like to participate in our Holiday Show, please read and fill out both sides of this form and return it to the studio by Saturday, October 7th. If you have any questions about anything written here, please contact us.

Note: there might be a limit to the number of students we can accept. Though we can accept a fairly large number, the stage is only so big and there is eventually a limit to the number of costumes we have. Please contact us as soon as possible (and no later than October 7th) if you think you are interested.

Holiday Show Fees and Costs

The Holiday Show Performance fees are based upon the number of dances being performed. Please see the class chart on the next page to determine the number of dances you will be participating in. The Holiday Show Performance fees are as follows and will be included with your October billing if not paid when this form is submitted:

\$50 - 1 dance; \$60 - 2 dances; \$70 - 3 dances; \$80 - 4 or more dances

There are no additional costume charges – we will handle all costuming. Note: students will have to supply their own tights, shoes, and possibly a flesh colored body suit if the student is in more than one number and has a costume change. Students may also have to supply their own basic dancewear (black jazz pants, black leotard, black jazz shorts, etc.).

Holiday Show Tickets will be available for purchase for \$15 per ticket.

Photo Policy

Important! Please know before signing up that we cannot allow cameras or video equipment during our actual performances. You will not be able to film your children during the show. You will need to inform your spouses and the people you invite. Our volunteers will stop you during the show if they see videos being taken. Families are allowed to take videos and pictures at the studio during our parent's week (November 13-18) in which the Holiday Show dances will be shown. Families may take videos and non-flash pictures during our stage rehearsal at Northley on December 9 - the students will not be in costumes, but they will perform their numbers. We also hire a professional videographer who films the show – videos of the show may be purchased (\$40 per video).

Holiday Show Dances

- Pink - The classes highlighted in pink will perform in one of our shows. Please mark whether you prefer to attend the first show or the second show. Depending on the number of students interested, we may have to limit the number of students that can participate in any one show. Our hope is that we will have an approximate equal number of students in each show. If there is a disproportionate amount of students who prefer one show over the other, we will contact you to see if you are able to switch shows. In addition to stating your preference, please mark the "Either" column if either show is possible for you.
- Yellow – The classes in yellow are performing in only one show.
- Blue – The classes in blue are performing in both shows. Note: Students in these classes will need to be available to perform in both shows; we cannot guarantee that we can structure dances to accommodate dancers who wish to perform in only one show.
