## **Holiday Show Invitation**

# **Holiday Show !!!**

Performances at Northley

Date: Saturday, December 7

Show Times: 1:00p and 4:00p

Where: Northley Middle School

If you are receiving this letter, at least one of the dance classes you are enrolled in has the option of participating in our December Holiday Show.

Would you enjoy watching your child perform on stage in December? Read this letter and contact us with any questions. We would love to have you join us!

We will be teaching Holiday-themed dances in many of our classes. The students from these classes will be invited to perform these numbers in our Holiday Show. We have included a list below of the classes that will be participating.

Note: We tried to include as many classes as possible; however, we currently can only do two shows at Northley Middle School and are therefore limited in the quantity of Holiday Show numbers we can put on stage. We picked as many classes as we could that would allow the most students to perform.

If you would like to participate in our Holiday Show, please read and fill out both pages of the form below and return it to the studio by Saturday, October 5th. If you have any questions, please contact us.

**Please contact us by  
Saturday, October 5th, 2019**

## Holiday Show Fees and Costs

The Holiday Show Performance fees are per student and based upon the number of dances they are participating in. Please see the class chart on the next page to determine the number of dances you will be participating in. The Holiday Show Performance fees are as follows and will be included with your November billing if not paid when this form is submitted:

- \$50 - 1 dance
- \$60 - 2 dance
- \$70 - 3 dances
- \$80 - 4 or more dances

There are no additional costume charges – we will handle all costuming. Note: students will have to supply their own tights, shoes, and possibly a flesh colored body suit if the student is in more than one number and has costume changes. Students may also have to supply their own basic dancewear (black jazz pants, black leotard, black jazz shorts, etc.).

**Holiday Show Tickets will be available for purchase for \$15 per ticket.**

## Photo Policy

Important! Please know before signing that we cannot allow cameras or video equipment during our actual performances. You will not be able to film your children during the show. You will also not be able to take a photo of your child in costume on this day. You will need to inform your spouses and the people you invite. Our volunteers will stop anyone during the show if they see videos being taken.

Families may take videos and non-flash pictures during our stage rehearsal at Northley on December 6<sup>th</sup>; however, the students will not be in costumes. Note: We also hire a professional videographer who films the show, and videos of the show may be purchased (\$40 per video).

If you would like to take a photo of your child in costume, we will have a photo day at the studio on Friday, December 13 (where we will make the Holiday Show costumes available). A Signup Genius list will be posted.

## Signature

I would like my child to participate in the Saturday, December 7<sup>th</sup> Holiday Show. I understand that my child must attend classes and that excessive absences or not knowing the dances may make my child ineligible to participate.
