

Schedule 2020-2021 General Info

First Day of Class

Regular monthly classes start on Friday, September 11.
Session Classes will start on Monday, September 14th.

Two Schedules

Two schedules are included. One is listed by day and time, the other by level. If you have not already received class recommendations from us, call the studio for class placement.

Online Zoom Classes

The included schedules are for our in-person classes. We have not yet created an online Zoom schedule – we are waiting to see who is interested. If you would like online Zoom classes, please contact the studio and let us know.

Limited Class Sizes – Give us options.

Because we have to limit classes sizes, we have tried to offer more than one option for most classes. If possible, when you register, let us know if an alternate class time is possible for you in the event that your first choice is not available.

Read Covid Safety Protocols

We have implemented many new procedures at the studio. It is necessary that you read our Covid Safety Protocols listed on the main page of our website:
PaulKlockeDance.com.

New Day Camps (Age 3-5) & (Grades 1 thru 5)

In response to requests, we have added two Day camps to our schedule (crafts, activities, age appropriate movies).

- **Kamp Stars Monday 1:00-3:00p:** is designed for your 3-year-old thru Kindergartner. Limited to 10 students. Pricing \$30 per day per session (6-8 weeks); \$35 per day if signing up on a drop-in basis.
- **Kamp Kids Wednesday 1:00-4:00p:** for 1st through 5th graders. Campers may bring their own device, and we will help them log in for any required schoolwork. Limited to 14 students. Pricing \$45 per day for a session (6-8 weeks); \$55 per day if signing up on a drop-in basis.
- Drop-ins are subject to availability and must contact the studio and receive confirmation prior to attending.

Child 2-5 Levels Ballet/Tap/Jazz

We have combined up ballet, tap, and jazz in our Child 2-5 levels. Dancers may now take 3 styles of dance within one class instead of multiple classes. If a student has not had a style, we will assist them to get them caught up.

Don't See a Class?

If you do not see a class listed or your recommended class time is impossible for you, please call us. We may be able to find a different class for you to attend or add a class at a different time if there is sufficient interest.

If We Have Made an Error in Placement

If there is a class or level you feel you should be in but are not, if we forgot to place you in a class you took last year, if you are in a class that you feel you should not be in, or if you have any questions or concerns about classes, teachers, levels, or anything, please contact us.

June Recitals

We, in the past, have listed which recitals each class will be performing in during our June performances. Given our current Covid circumstances, we have no way to predict what will happen in June regarding a recital.

Session Based Classes

Session Based Classes are listed in blue on the following schedules: Dance with Me, Tiny Stars, Hopping Stars, Jazz Funk Stars, and our new Day Camps have a different rate structure than our regular classes. Session classes have a specific registration form that is different from our regular class registration form.

New Pointe Students

If you have been recommended for Pointe class, do not purchase pointe shoes until you have confirmed with us that the student is ready.

Hip Hop Classes

Hip Hop Classes are being renamed to "Street Jazz" and our younger classes to "Jazz Funk".

Adult Ballet Classes

Currently Adult Ballet does not have a time listed on the schedule. We will be talking to our current adult ballet students to see when we can establish a time.

Acro Classes

Acro and Tumbling classes have been temporarily suspended due to social distancing concerns with spotting students. Once it is safe to do so, these classes may be reinstated.

Performing Groups

Our Performing groups will receive a separate letter with information specific to the performing groups.
