Studio Waiting Room – Arrival/Dismissal/Security/Observation

Waiting Room and Arrival/Dismissal

Over the past two years, our waiting room has been exclusively used for the safe arrival and dismissal of students. Prior to Covid, we did allow anyone in the waiting room; however, in doing so we could not always guarantee the safety of our students when dismissing from classes, nor could we guarantee that students could be admitted to their classrooms in an orderly manner. In addition, with an open waiting room, we could not track who was coming into our building and who each student was leaving with which was a large safety concern for our students and staff. With our student's safety as a top priority, we will therefore continue to use the arrival and dismissal policies that we have implemented over the past two years.

We will meet students at the front door and usher them into the waiting room until it's time for them to proceed into their classrooms. At the end of class, students will proceed to the waiting room and be dismissed directly to their guardian outside the front door. We ask that guardians remain outside our building unless they have a specific need to enter that has been approved by the studio. Exceptions will be made on a case-by-case basis for guardians of young children (who might need help) and for new families who are not familiar with our school.

Arriving at the Studio

- Please arrive in the parking lot 5-10 minutes before your scheduled class time; students in our level 4 and below will be met by our staff and admitted into the building 5 minutes before their class begins. Students in our A level and above may admit themselves into the building 5 minutes before their class time.
- Students will be either directed to wait with their classmates in the waiting room or to proceed directly to their classrooms.
- If you are running late to class and a staff member is no longer at the front door, call the front desk, and we will meet you at the door. If you cannot reach someone at the front desk – you may enter the building.

Picking up your Student

- Please arrive at the studio 5 minutes before your class is scheduled to end.
- Someone from our staff will be outside the studio and will relay your child's name to our staff inside. We will bring your child out to you.
- We will dismiss students, age 12 and older, who have been contacted on their cell phones that a guardian is waiting for them in the parking lot.
- If an emergency comes up, where you must pick up your child early (or you are late picking up your student), call the front desk. If you cannot reach someone at the front desk – you may enter the building and stop at the front desk.

Guardian Observation

We are looking at several options to bring back the ability for guardians to observe what is happening in classes.

- We will definitely be bringing back our guardian observation weeks. We typically, prior to Covid, had two guardian observation weeks - one in November and one in April/May. Details will be given.
- We have also been asked about using Zoom as a live stream observation platform, allowing guardians into the building on a rotating or staggered basis, using video apps that are not live stream but do show class activities on a limited basis, and other ideas. We are looking at these suggestions and also talking to other studios to see how they are handling this. We may not have absolute answers until we first finalize what security protocols we need to put in place, and until we know what our class enrollment is like (so we know when our building is crowded and when it is not). We again will give details once we know more.

General Policies

If You Cannot Find a Suitable Class Time?

If your recommended class time is impossible for you, please call. We may be able to find a different class for you to attend or possibly add a class at a different time if there is sufficient interest.

Did we make an error?

We're human, and we make mistakes! If you do not see a class listed that you would like to take, if there is a class or level you feel you should be in but are not, if we forgot to place you in a class you took last year, if you are in a class that you feel you should not be in, or if you have any questions or concerns about classes, teachers, or levels, please contact us.

Is your child in the correct class?

It is usually necessary to try a class for a few weeks before determining whether the level is correct. There are times, however, when a class level change should be made immediately. If, at any time, you or your child feels that they are in the wrong level, or they are unhappy for any reason (i.e. the class is too hard or too easy), please do not wait; call us immediately.

Ballet vs. other forms of dance

Students who take ballet tend to be physically stronger and improve faster in all dance forms than those who do not. If your child wishes to take other forms of dance and they are able to take ballet, please encourage them to do so.

Session Classes

Our Dance with Me, Tiny Star, and Tumbling Stars classes are all session classes. They will run in 5-to-8-week blocks and are billed differently than our regular monthly class. These classes do not participate in our recitals.

Attendance

Regular attendance is essential to fostering your child's self-confidence and skill progression. We will suggest that a student move to a lower-level class should there be excessive absences and the student becomes demoralized or cannot keep up with the required technique. If you know in advance that your child will be missing some classes due travel, illness, etc., please let us know so we can work with you to help your child keep up.

Absences

We request that you inform us, in advance, of any absences so our teachers can plan. Note: Except in cases of extended illness (4 to 5 weeks), there can be no deductions or refunds in tuition for classes that are missed. Students may call to see if make-up classes are available.

Injuries/Illness

If a student has an injury, please do not send them to class without letting us know. If a student has a long-term injury, this can obviously affect their ability to keep up with a class. We always try to work with students to get them caught up, but please be understanding; given certain injury/illnesses and the time periods involved, it sometimes is not possible to get a student caught up in time to rejoin their class.

Covid Policy

Masks are optional. We ask that all families follow CDC protocols for positive cases and exposures.

Class Names

From year to year the names of some of our classes have remained the same even though the students in these classes have been promoted. Whatever the name of your class, all students have been promoted unless we have either contacted you or asked you to contact us.

Children's Levels vs Intermediate/Advanced Levels

Our Session classes and Children's levels are more age based. Our Intermediate and above levels are more skill based. Typically, students in the Children's level will move up a level each year, unless there are extenuating circumstances. Students in the Intermediate and above levels may remain in the same level for more than one year. Promotions at these levels depend on the student's mastery of the material. Within any one class at the Intermediate and above level, there may be a wider age range of students, and students might be in the same level for several years. Please call us about this if you have questions.

More Advanced Classes

Several students (typically our older students) have asked about taking higher-level classes in addition to their current class level. Students doing this would not necessarily be in the recital dances of the higher-level classes, but they would still be able to participate in the class. Please contact us if you are interested in this opportunity, and we would be happy to explore the options with you.

Tumbling/Acro

We are currently offering Tumbling/Acro for students (approx. age 3½-10). Students (age 11 and older) interested in Acro, should contact us; it may be possible to create a class. Tumbling/Acro classes do not have recital dances.

Recital

In the past, we were able to give you recital/rehearsal dates and tell you which recitals your classes would be in at the time of registration. This information is not yet available. There is always the possibility that a recital or dress rehearsal might fall on Mother's Day or Father's Day; however, we try to avoid these dates if possible.

Dress Code

Students are expected to follow the studio dress code. See our website: PaulKlockeDance.com. Go to "Classes" on the top ribbon, then to "Dress Code". Contact us if you have any questions.

Inclement Weather/Emergency Cancellations

Should we need to close for inclement weather, we will notify everyone through emails and texts. No refund can be given for any emergency closure. We have created a built-in makeup week into our schedule (we are no longer taking our one week break in February thereby adding one extra week of classes to our schedule). We have added this week so families will no longer have the inconvenience of having to schedule makeups should there be a weather cancellation. Should we need to cancel any class for more than one week, we will schedule additional makeups.

Monthly Tuition Rate Chart

Monthly payments are made over 10 months (September thru June). Payments are made on a monthly basis regardless of number of weeks in the month. Some months have two or three weeks of classes, and some have five. Tuition is based upon a yearly amount and not on an individual monthly amount. We cannot give refunds for any missed classes or in the event of an emergency closure where make-up classes are made available. To determine your tuition rate, add up the number of hours of classes your family is taking each week, and then refer to the chart below to get your base monthly rate.

Paul Klocke Dance General Policy Document

PK Dance Rules: I the Parent/Guardian of the student registrant agree that the registrant and I will abide by the rules and policies of the Paul Klocke Studio of Dance ("PKSD"), and any of its affiliated organizations. I consent to the registrant's participation in the PKSD physical programs and activities ("PROGRAMS"). I understand that if I or my student does not follow any of the rules or policies of the studio that the studio is under no obligation to continue to provide services to myself or my student.

Studio Injury and Infectious Disease Liability Waiver: I acknowledge the possibility of physical injury by participating in PKSD PROGRAMS and I acknowledge the contagious nature of COVID-19 and other infectious diseases and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by attending the PKSD PROGRAMS and that such exposure may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 (or any other infection) at the PKSD (whether it occurs before, during, or after participation in any PKSD program) may result from the actions, omissions, or negligence of myself and others, including, but not limited to, PKSD employees, volunteers, and program participants and their families. Recognizing both the possibility of physical injury, and the possibility of exposure to any infectious element associated with the PROGRAMS, and in consideration for the PKSD accepting the registrant for its PROGRAMS, I (on my behalf, and on behalf of my children) hereby release, discharge, indemnify, and hold harmless the PKSD, its affiliated organizations, and their employees, teachers, and associated personnel from and against any and all claims (including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto) by or on behalf of the registrant as a result of the registrant's participation in the PROGRAMS.

Medical Release: In my absence, I request PKSD, through its staff, to obtain emergency medical care in the event that such care is necessary or appropriate in the opinion of the staff for the benefit of my child due to accident or illness. I promise to pay any treatment costs directly to the hospital, physician, or laboratory providing such care upon presentation of the bill to me.

Physical Contact: I understand that appropriate physical contact is required during the instruction of dance and acro/tumbling classes, and I give permission for instructors to make appropriate physical contact with me or my child for such instruction.

Covid Policy: I understand that masks are optional, and that I will follow CDC protocols for positive cases and exposures.

Monthly Class Tuition Only: I understand that monthly payments are made over 10 months (September thru June). Payments are made on a monthly basis regardless of number of weeks in the month. Some months have two or three weeks of classes, and some have five. Tuition is based upon a yearly amount and not on an individual monthly amount. We cannot give refunds for any missed classes, or in the event of emergency closures where make-up classes are made available. Session classes are billed on a per session basis – there are no recurring monthly fees.

Late Fees: I understand that should my tuition payment be late; the studio will attempt to contact me twice – once by email and secondly by text. After the second attempt, if I have not responded within 7 days, the studio will charge my account a \$25 late fee.

Dress Code: I understand that students are expected to follow the studio dress code listed on our website at PaulKlockeDance.com (go to "Classes" on the top ribbon, then to "Dress Code"). Contact us if you have any questions.

Photo/Video Release: I accept that the studio takes pictures and videos of the students in class and in performance and that these pictures may be used in studio displays, for social media materials, and may be given to students for training purposes.

Training Camera Release: I accept that when entering any of our specific dance studios that any of my actions and conversations might be recorded by our training cameras which record both video and sound.

Lost Items: I understand that the studio assumes no responsibility for lost, misplaced, or stolen articles. Please put your name in all your belongings and do not leave valuables unattended.

Inclement Weather/Emergency Cancellations: I understand that should the studio need to close for inclement weather, the studio will notify everyone through emails and texts. No refund can be given for any emergency closure. We have created a built-in makeup week into our schedule (we are no longer taking our one week break in February thereby adding one extra week of classes to our schedule). We have added this week so families will no longer have the inconvenience of having to schedule makeups should there be a weather cancellation. Should we need to cancel any class for more than one week, the studio will schedule additional makeups.

Inclement Weather/Emergency Cancellations for Session Classes: If a session class is cancelled due to weather, and a student cannot makeup in another class, your account will be credited for the cancelled class.
